AGE OF SCORPIUS PREORDER REFUNDS

We are sorry to say the spring release of *The Age of Scorpius* 2nd Edition has been canceled. We will be sending a refund to any preorder buyer who wants one. Unfortunately, we don't know how exactly long that will take, due to reduced business operability & company resources. The process will be slow, and we're unable to set a specific deadline. We know this is insufficient, but it's the best we can do right now. Our sincere apologies. We intend to get buyers their refund in due course, as it's what we owe to all the people who supported & believed in us.

If you preordered via this website, you will receive a refund automatically - no need to fill out this form. This form is for TikTok preorders, as the vast majority of them have passed the 60 day refund limit on that app. Please fill out the form below to enter the refund queue:
